Division 1
WIAA State Tournament

Diagram illustrating the structure of the Division I WIAA State Tournament. The tournament is a single-elimination format. The top half of the bracket shows four teams competing in two games, with the winners advancing to a final game. The bottom half of the bracket shows four teams competing in two games, with the winners advancing to a final game. The winners of the two final games compete in the championship game.

The diagram consists of two identical structures side-by-side. Each structure has a central vertical rectangle. To the left of this rectangle, three horizontal rectangles are stacked vertically, connected to the central one by a single line. To the right of the central rectangle, three horizontal rectangles are also stacked vertically, connected by a single line. The left structure is labeled '@ Neenah' and the right structure is labeled '@ Verona'.
